

Short-term finance for every need

We lend to property professionals and homeowners. Whatever the project, we offer your clients fast, flexible short term property finance that they can rely on. Powered by technology and with experts available at every step of the way, you can get the right deal for you and your client.

Product	Commonly used for
Regulated (Homeowner)	Chain breaks and quick purchases.
Unregulated	Securing a residential property purchase quickly, generating short-term business cash flow from an existing property, funding refurbishments or HMO conversions to add value. Helping fund and allowing time to secure or vary planning permission.
Auction	Fast-track funding to secure a residential auction property.
Bridge-to-Let	Securing the purchase of a run-down property before making repairs, or refinancing an existing property that needs modernisation. Add value and signal an intent to exit via a loan meeting the current LendInvest Buy to Let Criteria .
Refurbishment	Refurbishment Bridge Via the portal, no drawdowns, net LTV 73% loan on day 1 then roll up fees and interest based on a viable project and schedule of works being provided. Refurbishment GDV NEW NOT via the portal, max 3 drawdowns, up to 70% LTGDV. Residential (including HMO up to 6 bedrooms). End value single unit can't exceed £1m. Monitoring at underwriters discretion. Contact enquiries@lendinvest.com
Semi-commercial Commercial Land	Securing a property purchase quickly, generating short-term business cash flow from an existing asset, funding refurbishment or permitted developments for change of use. Helping fund – and allowing time to secure or vary – planning permission.
Development Exit	Lending against residential and residential led mixed-use property with a new-build warranty in place. Replace higher-cost and/or variable rate development finance on a finished development for sale with a fixed rate product. Sell units to repay our facility and retain an element of net proceeds from each sale for business cashflow, subject to our consent.
